Instead of relishing life after her heart transplant, Joy enters a downward spiral, unsure whether she truly deserves a second chance. Meanwhile, Alice and Hank mourn the loss of their son, Jack, whose heart was used to save Joy.

At a friend's urging, Joy tracks down Jack's family to find closure. But are Alice, Hank, and their daughter Sammy ready to accept Jack's death?

Based on a true story, *The Tin Woman* uses humor and pathos to explore loss, family, and what it means to be given new life.
